Notice of Postponement of Eurasia Convention

Dear Professor,

Despite the vaccination and the development of treatments for novel coronavirus (COVID-19), the entire world is still under the influence of the virus infection due to discovery of variant strains.

Many countries/regions have started easing their travel restrictions. However, given the current situation, we regret to inform you that the Eurasia Convention, which was scheduled to be held in Bangkok in August this year, will be cancelled, and postponed for the third time.

If circumstances permit, the Foundation would like to reschedule the event in Bangkok on Mon, 31 July to Tue, 1 August 2023.

Yours Sincerely,

Secretariat of Eurasia Convention Bangkok 2022
