## Notice of Postponement of Eurasia Convention

Dear Professor,

We hope this finds you in good health.

Even after the WHO announced the "pandemic declaration" on 11th March 2020, rather than showing signs of decline, the spread of this corona-virus has continued at an explosive rate all over the world.

Given this situation, unfortunately the Foundation had to decide to cancel and postpone the Eurasia Convention, which was scheduled to be held in Bangkok in August last year. And it is still difficult to foresee when this uncertain situation will settle down.

Under these circumstances, we regret to inform you that the Convention this August 2021 will be cancelled again.

If circumstances permit, the Foundation would like to reschedule it in Bangkok to a year later for the same day of the week: August 1st (Mon) to 2nd (Tue) 2022.

Yours Sincerely,

Secretariat of Eurasia Convention Bangkok 2021
